COUNTRY HEALTH CLUSTER / SECTOR DASHBOARD

MARCH 2021

Country Health Clusters, March 2021

Map date: 26 March 2021

This dashboard includes all activated clusters and other national health emergencies coordination platforms with a 2021 Humanitarian Response Plan.

LEGEND

- When available, the 2021 Humanitarian Response Plans are hyperlinked from the Country Cluster name.
- For some countries, there is no 2021 HRP funding requested data, as such funding requested data from 2020 could not be updated at this time and is reflected in the total for funding requested. Funding requested data from 2020 has been marked with an asterisk on the country cards.
- It is not possible to directly compare targets and funding requests across years, as they are directly tied to programming activities which often change from one year to the next. As funding fluctuates, it may be necessary to adapt programming in order to reach the most people possible as efficiently as possible.
