# COUNTRY HEALTH CLUSTER / SECTOR DASHBOARD

December 2025

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

Data Source: World Health Organization  
Map Production: WHO Health Emergencies Programme  
Map Date: 19 January 2026

**Severe and sudden funding cuts in the first quarter of 2025 have forced the humanitarian community to reprioritize its response efforts. This dashboard reflects the hyper-prioritized Global Humanitarian Overview 2025, published in June, with the Original HNRP figures shown in red.**
